# Why I Will Vote For Herbert Hoover For President

BECAUSE—He is a true American Citizen, a world figure against whom no charge of corruption has been brought or can be sustained. No fair thinking citizen will hold him responsible for the corruption of his party.

BECAUSE—Liquor and drunkenness is the greatest single curse of this nation, blighting the lives, damning the souls of many of my best friends, their children, and the children of my political opponents as well, and prohibition is the only remedy in sight.

BECAUSE— I would rather see a foreign army invading our shores than Al. Smith and his associates in power in Washington. An invading army would be recognized a common enemy (from outside) and we would meet and drive them into the depths of the sea.

BECAUSE—No greater calamity can come to this country we love, than for Al. Smith, Rascob & Co., with all of their Catholic and Knights of Columbus corruption and cursing "Damnable Prohibition" to get to the Presidency of this Nation. An enemy working from within with his hand on the heartstrings of the nations is an enemy to be dreaded.

BECAUSE— Party preference and party regularity are not worthy of consideration, when the party has played traitor and asks you to vote for Al. Smith.

I appeal to all my friends to vote against Al. Smith and forever rebuke the Tammany bunch who threaten our liberties.

Yours sincerely,  
A. R. HARWOOD.

### What Gov. Smith Has Done for the Public Schools

No other Governor in the history of the United States has done so much for the public schools as was accomplished by Governor Alfred E. Smith during the eight years of his administration in New York State.

In 1918 the State of New York had 1,000,000 on public education. In 1928 the State had 1,500,000 on public education. This increase of 500,000 was accomplished by the Governor's administration.

### SENATOR BLAINE URGES ELECTION OF GOV. SMITH

Republican Progressive Leader Tells Why He Will Vote for Democratic Candidate.

United States Senator John A. Blaine, former Governor of Wisconsin, tells in the following article the reasons why he will vote for the Democratic candidate, Mr. Hoover, in the coming election.

By JOHN J. BLAINE  
(United States Senator from Wisconsin)

Three weeks ago I said, "Mr. Hoover is approved to practically all of the policies of the great mass of Progressive Republicans and Independent Democrats."

Today America needs a change in its leadership. It needs a man who is not a politician, but a statesman. It needs a man who is not a party man, but a citizen.

Mr. Hoover is a man of high character and high ability. He is a man who is not a politician, but a statesman. He is a man who is not a party man, but a citizen.

Mr. Hoover is a man of high character and high ability. He is a man who is not a politician, but a statesman. He is a man who is not a party man, but a citizen.

### APPOMATTOX BE TRUE

In this good year 1928 after nearly eight years of the most corrupt and inefficient administration of the Government of the commonwealth of Virginia, we find the Republican party fighting under the smoke screen of prohibition and religious intolerance.

I beg of you men and women do not allow yourselves to be misled by the promises of the Republican party. They are promises that will never be kept.

We can only judge the future by the past, and the past shows that the Republican party has been a failure in every respect.

It is the same party which fostered the 14th and 15th amendments to the Constitution, and for the timely and able assistance of Northern Democrats the Lodge Force bill and many other vicious measures would have been forced upon a protesting South.
